*) Corresponding with the world heritage site, the organiser – MTS Wien – aims to offer the visitors of the Christmas and New Year's Market an exclusive and diverse range of traditional high-quality handicrafts, as well as lovingly designed Christmas decorations and selected regional delicacies. We attach particular importance to offer the visitors a unique experience and value therefore exhibitors who present their products in Vienna **only** in Schönbrunn.

Exhibitors who confirm this exclusivity (meaning that they are present exclusively at the Christmas Market Schönbrunn and do not exhibit the same products nor the same decoration concepts nor with the same brand nor under the same company name at other markets in Vienna) **are granted a 10% discount on the prices for the Christmas Market (i. e. 20th November to 26th December)**. This exclusivity will be reviewed by the organiser.

) Our special concern is to support **artists and artisans being individual entrepreneurs and we hence provide for them a limited number of huts at a **special price** – price on request and only for exclusive exhibitors. The decision, if this category can be applied, will be taken by the organisers.

5) Hut for changing exhibitors for artisans (small hut)

Artisans and small manufactories have the possibility to present their craftsmanship at the Christmas Market for 12 or 13 days and at the New Year's Market for 7 days.

Food and beverages are excluded.

The organiser provides a small hut with basic decoration and furnishing. Each exhibitor completes the hut with his/her decoration and furniture (moving in and out takes place over night, except the first exhibitor)

You can choose between the following dates:

Saturday, 20 th November to Thursday, 2 nd December	€ 1,400
Friday, 3 rd to Tuesday, 14 th December	€ 1,400
Wednesday, 15 th to Sunday, 26 th December	€ 1,400
Monday, 27 th to Sunday, 2 nd January (New Year's Market)	€ 300

We would like to point out that these two events (Christmas Market until 26th December 2021 and New Year's Market from 27th December 2021 to 2nd January 2022) are to be regarded as separate events and that no one who registers for the Christmas Market is obliged to register for the New Year's Market. A participation in the New Year's Market alone is only possible for exhibitors in the hut for changing exhibitors.

The organisers reserve the right to turn down exhibitors who do not meet the desired quality requirements. You will be notified in writing of the final decision as to whether your registration is accepted by beginning of July.
