HUT RENT 2021/22:

*) In accordance with the world heritage cultural, the organiser – MTS Wien – aims to offer the visitors of the Christmas & New Year's Market an exclusive and diverse range of traditional and high-quality handicrafts, as well as lovingly designed Christmas decorations and selected regional delicacies. It is therefore a matter of great concern to us that the exhibitors present their products in Vienna exclusively in Schönbrunn. Exhibitors who confirm this exclusivity (meaning that they are present exclusively at the Christmas Market Schönbrunn and do not exhibit the same products nor the same decoration concepts nor with the same brand nor under the same company name at other markets in Vienna) are granted a 10% discount on the prices for the Christmas Market (i. e. 19 November to 26 December). This exclusivity will be reviewed by the organiser.

**) Our special concern is to support artists and artisans being individual entrepreneurs and we hence provide for them a limited number of huts at a special price – price on request and only for exclusive exhibitors. The decision, if this category can be applied, will be taken by the organisers.

5. HUT FOR CHANGING EXHIBITORS FOR ARTISANS (SMALL HUT)

Artisans and small manufactories have the possibility to present their craftsmanship at the Christmas Market for 12 or 13 days and at the New Year's Market for 9 days.

Food and beverages are excluded.

The organiser provides a small hut with basic decoration and furnishing. Each exhibitor completes the hut with his/her decoration and furniture (moving in and out takes place over night, except the first exhibitor)

You can choose between the following dates:

Saturday, 19 November to Thursday, 1 December 2022	€ 1,470
Friday, 2 to Tuesday, 13 December 2022	€ 1,470
Wednesday, 14 to Monday, 26 December 2022	€ 1,470
Tuesday, 27 December to Wednesday, 4 January (New Year's Market)	€ 300

We would like to point out that these two events (Christmas Market until 26 December 2022 and New Year's Market from 27 December 2022 to 4 January 2023) are to be regarded as separate events and that exhibitors who register for the Christmas Market are not obliged to register for the New Year's Market. A participation in the New Year's Market alone is only possible for exhibitors in the hut for changing exhibitors.

When applying online, please make sure to include a detailed listing as well as photos of your products and a decoration concept for your hut.

The organisers reserve the right to turn down exhibitors who do not meet the desired quality requirements. You will be notified in writing of the final decision as to whether your registration is accepted **by beginning of June**.
